CHICO HIGH SCHOOL / PLEASANT VALLEY HIGH SCHOOL

**PARENT REQUEST FOR PARENT TRANSPORTATION FOLLOWING  
INTERSCHOLASTIC ATHLETIC COMPETITION**

Dear Parent,

All students involved in any interscholastic athletic competition at Chico High School or Pleasant Valley High School are required to ride the athletic bus to the competition. We prefer that all students return from the competition on the team bus; however, on special occasions a player may be allowed to return home with their parents providing the coach has granted permission.

The parent must make a written request to the coach. Visual contact must be made between the coach and the parent before the student-athlete may be released.

This written request will be retained by the Athletic Director after the trip and releases the school from all liability associated with the student's transportation home from the athletic contest.
