

# College Entrance Requirements

---

## **University of California**

Subject Requirements (a-g)

All courses must be designated College Prep (P)

- |                                                               |        |
|---------------------------------------------------------------|--------|
| A. HISTORY – World History, U.S. History                      | 2 yrs. |
| B. ENGLISH –                                                  | 4 yrs. |
| C. MATH – IM-1, IM-2, IM-3<br>(4 years recommended)           | 3 yrs. |
| D. SCIENCE – Biology, Chem, Physics<br>(3 years recommended)  | 2 yrs. |
| E. FOREIGN LANGUAGE –<br>(Same language - 3years recommended) | 2 yrs. |
| F. VISUAL or PERFORMING ART                                   | 1 yr.  |
| G. ELECTIVE – Must be ‘P’ course                              | 1 yr.  |
| <b>Total: 15 units</b>                                        |        |

One year = one unit. 15 units required. All required courses must be completed with grades of ‘C’ or higher. ‘B’ and higher grades increase a student’s chance of being selected for admission.

## **California State University**

Subject Requirements (a-g)

All courses must be designated College Prep (P)

- |                                                                                                                               |        |
|-------------------------------------------------------------------------------------------------------------------------------|--------|
| A. HISTORY – World History, U.S. History                                                                                      | 2 yrs. |
| B. ENGLISH –                                                                                                                  | 4 yrs. |
| C. MATH – IM-1, IM-2, IM-3                                                                                                    | 3 yrs. |
| D. SCIENCE – Biology, Chem, Physics                                                                                           | 2 yrs. |
| At least 1 year of physical science and 1 year of biological science, one from the “d” area and one from the “d” or “g” area. |        |
| E. FOREIGN LANGUAGE –<br>(Same language - 3years recommended)                                                                 | 2 yrs. |
| F. VISUAL or PERFORMING ART                                                                                                   | 1 yr.  |
| G. ELECTIVE – Must be ‘P’ course                                                                                              | 1 yr.  |
| <b>Total: 15 units</b>                                                                                                        |        |

One year = one unit. 15 units required. All required courses must be completed with grades of ‘C’ or higher. ‘B’ and higher grades increase a student’s chance of being selected for admission.

### **Examination Requirements ACT and/or SAT Reasoning Test**

SAT subject tests not required but may be reviewed.

Recommended preparation – PSAT taken in 10<sup>th</sup> and/or 11<sup>th</sup> grades. May need to take Subject ‘A’ exam after admission. Check exemptions.

### **Examination Requirements ACT and/or SAT Reasoning Test**

Recommended preparation – PSAT taken 10<sup>th</sup> and/or 11<sup>th</sup> grades. May need to take ELM and EPT after admission.

Check exemptions.

### **G.P.A. Requirements**

G.P.A. determined from all approved college preparation courses taken in 10<sup>th</sup>, 11<sup>th</sup> and 12<sup>th</sup> grade.

The UC will use grade point averages to determine the upper one-eighth of California high school graduates for UC admission eligibility.

### **G.P.A. Requirements**

G.P.A. determined from all approved college preparation courses taken in 10<sup>th</sup>, 11<sup>th</sup> and 12<sup>th</sup> grade.

The CSU will use grade point averages to determine the upper one-third of California high school graduates for CSU admission eligibility.
