

Agriculture and Natural Resources: Floral Design

CHICO HIGH SCHOOL

2021-2022

CTE Course Sequence

Course Descriptions

Floral Design (Concentrator)

*A-G "F" Fine Art

This year-long course covers skills for an entry-level position in the florist and floriculture industry. Through hands-on activities and projects, students will learn **flower arranging, production-related skills** and work with **flowering potted greenhouse crops**. Students will complete a **wedding project** and participate in seminar on **intermediate floral design skills** and processes aligned with the floral and floriculture industry. Horticulture projects will be grown by students in the school greenhouse. **FFA projects** and record books are utilized. This course meets the **Fine Arts requirement**.

Advanced Floral Design (Capstone)

*A-G "F" Fine Art

Prerequisite: Floral Design

This year-long course is open to students who have successfully completed Floral Design. This course allows students to learn **professional florist skills for employment** in the **floriculture field**. Students will explore the **floriculture industry** on a more **technical** and **advanced** level including the proper **care** and **handling** of **flowers, plants, and foliage**; **evaluate** floral **materials** and **arrangements**; utilize floral **tools, supplies** and **products** to apply **design principles** to floral medium; **construct arrangements** for all occasions; **display, price** and **market** floral designs; and **preserve** floral materials as **students run their own floral shop**. The **art** elements and principles of design will serve as a foundation for each unit covered. After completion of this class, students will be prepared to **secure a job in the floral industry**. Students will be exposed to **careers in Agriculture Business**. **FFA projects** and record books are utilized. Students who successfully complete this course meet the **Fine Art requirement**.
