## *Underwater Cafe*

It's back! Underwater Cafe will be held this year on March 15. Underwater Cafe is an all-day event where students perform original pieces: poetry / spoken word, music (vocal or instrumental), or stories.

**Attention Teachers, Staff and Students:**  
**CHS is going to begin recycling paper!**

*Fact: **Paper** makes up about 28 percent of solid trash in landfills and one ton of **paper** takes up about 3.3 cubic yards of landfill space, according to the EPA. Recycling **paper** and cardboard saves space in landfills for trash that cannot be recycled and saving space in landfills reduces the need to build more landfills.*

Mr. Coulson will be providing paper recycling bins and buckets to all teachers. Students should be instructed to throw **only** paper into these receptacles. My class will come pick up the paper bimonthly and recycle it for you.

CHS cares about sustainability...

Contact Luke Coulson CHS SH Teacher for more information or if you would like to help

The **Chico High Career Center** is inside the library. You can use resources such as; books and materials, computer programs and Mrs. Keller's career search experience. All are available to help you make sense of your future.

The **US Air Force** will send Staff Sgt. Vargas to speak with you on **Tuesday, March 6** (both lunches). This may be his only visit for this year so if you have questions about special forces, entrance requirements or the Air Force Academy, come see him in the **Career Center** (inside the library).
