

## CHS WEEKLY BULLETIN

APRIL 30<sup>TH</sup> – MAY 4<sup>TH</sup>

**Teacher Rounds Day** here at Chico High is a day dedicated to teachers learning from other teachers through observation and reflection of each other's teaching practice. Teachers have a 'common prep' in the morning, and then use their normally scheduled prep to get into other teachers' classes for observation and learning.

To support teachers learning from other teachers, Chico High will be using a special schedule next **Tuesday, May 1st** for Teacher Rounds Day.

The library will be open for students at its regular time, ample supervision will be provided on campus throughout the late start time, and activities will be available for students before school.

School will start with the first period final bell at 8:55 a.m.

Thank you for supporting teachers' professional growth, so that they can best instruct students!
